About Exactech

Based in Gainesville, Fla., Exactech is celebrating its 25th anniversary developing and marketing orthopaedic implant devices, related surgical instruments and biologic materials and services to hospitals and physicians. The company manufactures many of its orthopaedic devices at its Gainesville facility. Exactech's orthopaedic products are used in the restoration of bones and joints that have deteriorated as a result of injury or diseases such as arthritis. Exactech markets its products in the United States, in addition to more than 30 markets in Europe, Latin America, Asia and the Pacific. Additional information about Exactech, Inc. can be found at <http://www.exac.com>. Copies of Exactech's press releases, SEC filings, current price quotes and other valuable information for investors may be found at <http://www.exac.com> and <http://www.hawkassociates.com>.

This release contains various forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, which represent the company's expectations or beliefs concerning future events of the company's financial performance. These forward-looking statements are further qualified by important factors that could cause actual results to differ materially from those in the forward-looking statements. These factors include the effect of competitive pricing, the company's dependence on the ability of third party manufacturers to produce components on a basis which is cost-effective to the company, market acceptance of the company's products and the effects of government regulation. Results actually achieved may differ materially from expected results included in these statements.
